

If you love the sea breeze, the sunshine on your face and the flavors of the South, you've come to the right place!

Cava was born out of love for Mediterranean cuisine, so you'll find dishes that will bring back memories of hot summer travel. Our menu abounds in meat, vegetarian and with seafood, all in accordance with the idea of zero waste and care for our planet.

Cava chef Michal Blicharski creates a seasonal base of organic products that we use in each category of dishes, so that nothing goes to waste and everything you find on your plate is always fresh and organic.
